UTILITY DISCONNECT PRIOR TO DEMOLITION

Location _____

Owner _____

Owner's Address _____

Service Connections: Before a structure is demolished or removed, the Owner or agent shall notify all utilities having service connections within the structure as water, electric, gas, sewer, telephone, cable, etc.

A permit to demolish or remove a structure shall not be issued until a release is obtained from the Utilities, stating that their respective service connections and appurtenant equipment, such as meters and regulators, have been removed or sealed and plugged in a safe manner.

Utility service has been removed or sealed and plugged as approved by this Utility:
